Monthly Book Club Discussion

Please join us on
Wednesday June 21, at 10:00a.m.
for a discussion of
Turtle Moon
by Alice Hoffman

Hoffman combines aspects of a sus-
pense thriller and a romance, includ-
ing such surefire elements as an
abandoned baby, a youngster on the
verge of juvenile delinquency who
is reformed, two dogs and a super-
natural character who provides the
requisite touch of fantasy.

The F Street door will be open at 9:45 that
morning. Everyone is welcome! Bring your
own copy of the book, or check one out
from the library.

Author Phil Dixon Presents:
"The Kansas City Monarchs in
our home town."

Saturday, June 17, 2017
10:30 a.m. - 11:30 a.m.

In honor of the Kansas City Monarchs' "90th
Anniversary of their first world's Championship"
in 1924, the author is returning to cities where
they once played baseball and presents
their unique history in those communi-
ties. He will talk about the games the
Monarchs' played in Fairbury against
the local competition, and about local
Negro League and Major League players.
