## The Fairbury Journal-News

Would you like to explore historic editions of the Fairbury Journal-News from the comfort of your home with just your library card? Well, by early next year, you will have that opportunity!

The Library is partnering with [Newspaper Archives](#) to digitize old issues of the newspaper currently available on microfilm that will then be available through our library's subscription.

The project was initiated, and partially funded, by a former Fairbury resident. This is not a library funded project, so the remainder of the funds need to be raised through private donations. If you would like to help, donations can be made to the *Fairbury Public Library Foundation* and dropped off at the library.

Barely the day started and... it's already six in the evening.  
Barely arrived on Monday and it's already Friday.  
... and the month is already over.  
... and the year is almost over.  
... and already 40, 50 or 60 years of our lives have passed.  
... and we realize that we lost our parents, friends.  
and we realize it's too late to go back...  
So... Let's try, despite everything, to enjoy the remaining time...  
Let's keep looking for activities that we like...  
Let's put some color in our grey...  
Let's smile at the little things in life that put balm in our hearts.  
And despite everything, we must continue to enjoy with serenity this time we have left.  
Let's try to eliminate the afters...  
I'm doing it after...  
I'll say after...  
I'll think about it after...  
We leave everything for later like "after" is ours.  
Because what we don't understand is that: Afterwards, the coffee gets cold...  
afterwards, priorities change...  
Afterwards, the charm is broken...  
afterwards, health passes...  
Afterwards, the kids grow up...  
Afterwards parents get old...  
Afterwards, promises are forgotten...  
afterwards, the day becomes the night...  
afterwards life ends...  
And then it's often too late...  
So... Let's leave nothing for later...  
Because still waiting see you later, we can lose the best moments,  
the best experiences,  
best friends,  
the best family...  
The day is today... The moment is now...  
We are no longer at the age where we can afford to postpone what needs to be done right away. -Anonymous
