Welcome to StoryWalk® at Fairbury City Park!

The Storywalk® combines physical activity with books to help build children's interest in reading while encouraging healthy activity for all! It begins on the southeast side of the Frontier Fun Park near the gravel parking lot. From there, follow the story by walking around the circle!

Now Featuring:

Explore the sounds, sights, smells, and textures of a new season—fall—in this picture book. In the middle of fall, the sky is nearly gray, the leaves have already turned, and all it takes is one gust of wind to turn the world yellow and red and orange.

How to Observe National Gratitude Month

Celebrating the month can be done in several ways:

- Start a gratitude journal. Write about someone or something you're thankful for every day. You'll find your appreciation for those around you grows deeper and fonder the longer you keep it. When you read back on what you've written, you'll be able to reflect on the relationships and their accomplishments.
- Share your gratitude with others. Letting someone know you're grateful for their care, service, or friendship often lifts their spirits or lifts a burden.
- Show your appreciation by giving back to your community, neighborhood, or favorite organization.
- Use #NationalGratitudeMonth to post on social media:
