Welcome to StoryWalk® at Fairbury City Park!

The Storywalk® combines physical activity with books to help build children's interest in reading while encouraging healthy activity for all! It begins on the southeast side of the Frontier Fun Park near the gravel parking lot. From there, follow the story by walking around the circle!

Now Featuring:

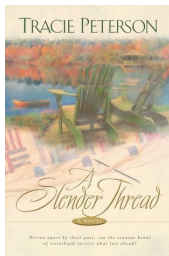

We know you shouldn't take your dragon to the library, but what about taking him out to dinner? After all, dragons need to eat too! But with fiery breath, flapping wings, and pointy spikes, that might not be a good idea!

Monthly Book Club Discussion

A slender thread

By Tracie Peterson

Peterson uses her agile storytelling skills to tackle a family saga about the bonds of sisterhood, which you will not want to miss. Driven apart by their past, can the bonds of sisterhood survive what lies ahead?

Please let library staff know if you are interested in joining the book discussion group.

Nebraska OverDrive Libraries now include magazines!

In addition to English and Spanish, explore magazines in French, Chinese, German, Japanese, and more! Search for a specific title, or click on the *What's New* link in Libby to browse the entire list!

The Fairbury Journal-News

Would you like to explore historic editions of the

Fairbury Journal-News from the comfort of your home with just your library card? Well, now you can! The Library is partnering with [Newspaper Archives](#) to digitize old issues of the newspaper currently available on microfilm that will then be available through our library's subscription.

Ask library staff how you can get started today!

Need a coffee break? Now we can help!

Sit for a while, read the paper or a magazine, and enjoy a cup of coffee, or other hot drink! We do ask for a small donation for your drink so we are able to continue providing this service.

Thank you, and enjoy!

International Coffee Day, October 1

Perhaps you've heard one of these sayings:

Coffee is a beverage that puts one to sleep when not drank

Humanity runs on coffee

Coffee is a hug in a mug

My birthstone is a coffee bean

AM—Coffee...PM—still Coffee

Among the health benefits associated with coffee, studies show if consumed in healthy proportions, can reduce the chances of strokes and other heart problems; lower the risk of Parkinson's disease by 30%; increases your metabolism, making your mind and body energetic; helps the brain to make more dopamine, which in turn boosts the concentration levels; and is packed with a lot of antioxidants which help in the prevention of several diseases.

You can now grab a cup at the library!

Sit for awhile and read the paper, or take it to go! A small donation is requested so we may continue offering this service.

So, sip one right away.
Happy International Coffee Day!
